

Duty Free Security Bags (STEB's)

Security courier bags consist of quality materials and are long lasting and strong for postal or storage purposes. The self-adhesive feature offers high comfort and improves work efficiency. Simply peel the flap and scale the flap over the bag when the product or document is inside. The quality of the self-adhesive glue is so strong that it will stick in just few seconds. If someone tries to open, it is clear and it is possible to recognize the unauthorized attempt by the end user. It protects your e-mail shipments in the best possible way.
